

STARANDDAISY

SMART STEPS

Baby Walker

Every step a new adventure,
joyfully guiding tiny feet.

Assembly Free -
No assembly needed.

8 Wheels - Enhanced
mobility and stability.

6 Level height
adjustment, 3 for seat
- 3 for walker.

Impact resistant
materials.

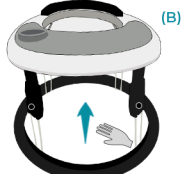

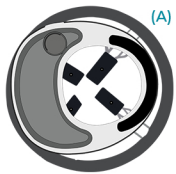

Detachable Food Tray -
Easy cleanup and no
mess.

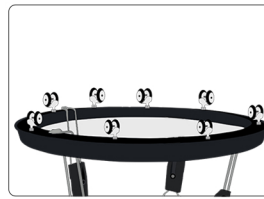

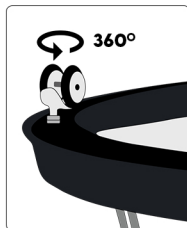

Easy Folding -
Space saving design.

ASSEMBLY FREE - PRE ASSEMBLED

Ready to Use Forget complicated assembly! Simply unfold the walker, and it's ready to use. No tools are required.

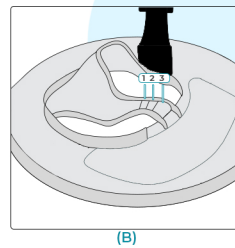

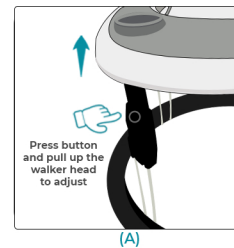

Pull up the walker head upward as shown in figure (B), you will hear click sound at all 3 legs to ensure it is unfolded successfully.

360° 8 Wheels for Easy Movement

The walker is equipped with 8 smooth-rolling wheels that allow the baby to move in any direction and explore safely and smoothly.

6-Level Height Adjustment

The seat offers 3 height adjustments fig.(B), while the walker provides 3 levels of height adjustment fig.(A).

Detachable Food Tray

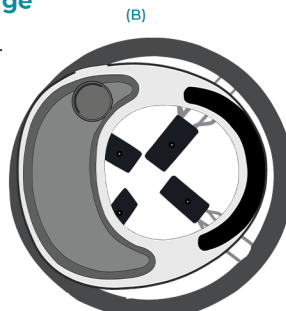

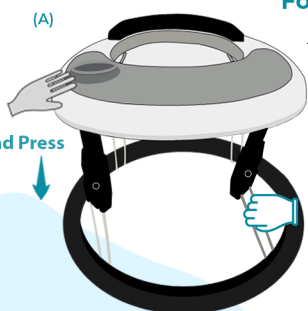

The food tray is easy to attach and remove. Use it for snack time and when done it can be easily cleaned.

Folding Mechanism for Easy Storage

The walker folds flat in seconds making it easy to store when not in use or take along when traveling.

Suppress the walker legs from all sides and press the walker head downward fig.(A).

Folding complete fig.(B)
Now store it easily.
